

Stripping Down to the Essentials

If you think buying a shower toilet requires a huge investment, think again.

Featuring a gorgeous **integrated** design, the e.sential shower toilet **range** looks and performs like a full-fledged shower toilet; exuding a contemporary flair that immediately transforms the bathroom space into a stylish environment with its aesthetic seamless design. Featuring all the essential personal cleansing and comfort features – but without the bells and whistles – of a shower toilet, it sets a new benchmark for enhanced personal hygiene that EVERYONE can enjoy.

The best things in life don't always need to cost a fortune.

Seamless Style.

e.ssential Floorstanding

Features a low tank which flows seamlessly to the e-bidet seat for a sleek and integrated design.

Unique Features

STAINLESS STEEL NOZZLE
Provides high durability and prevents bacterial from breeding.

SEAT SENSOR
Ensures all bidet functions only operates when the user is seated for a safe user experience.

ONE-TOUCH CLEANSING
Suitable for both elderly and children, one-touch cleansing activates the posterior/ feminine cleansing & dryer functions consecutively at a touch of a button.

Cleverly-concealed wires and an integrated design put together a premium look at an affordable price point. The seamless combination of e-bidet and toilet fully epitomises our philosophy of function and design.

e.ssential Wall Hung

Compact size suitable for small bathrooms and concealed water let-in pipe and electrical wirings for optimal cleanliness and tidiness.

Includes In-wall Cistern and Faceplate.

Unique Features

INSTANT HEATING SYSTEM
Instant heating system offers instant and constant warm water for comfort.

DUAL FLUSH
Choice between a half flush and a full flush for liquids or solids while still offering superior flushing performance.

LED NIGHT LIGHT
A sensor illuminates the area both inside the bowl and at the user's feet.

Essential Function.

Enhanced Hygiene

In addition to basic hygiene cleansing functions, the e.ssential collection also features the award-winning Aqua Ceramic coating on the bowl to prevent stain and Anti-bacterial protection on the seat and nozzle for a higher level of hygiene.

- AQUA CERAMIC**
Super hydrophilic technology prevents dirt and dark ring stains from sticking to ceramic surface.
- ANTIBACTERIAL PROTECTION**
Uses anti-bacterial resin on seat, cover, nozzle and remote control. Certified to SIAA ISO 22196 standard for anti-bacterial efficacy (seat only).
- SIAA ISO 22196 for KOHJIN**
*Applies to seat only.

Simple Comfort

With basic functions such as the deodorizer and heated seat, e.ssential collection keeps the bathroom refreshed and seat warm all the time, providing the comfort that matters the most.

- HEATED SEAT**
Temperature can be easily adjusted for comfort.
- DEODORIZER**
The deodorizer is activated as soon as the user is seated.

Pure Convenience

It's the small details that maximizes the user convenience. Power saving can be achieved with just one easy touch and the seat and cover closes softly and gently with one simple push. The seat & cover can also be easily removed for maintenance.

- ONE-TOUCH POWER SAVER**
Under the power saving mode, water heating and seat heating functions will stop, while cleansing and flushing will still operate. Machine will resume to original settings after 8 hours.
- SLOW-CLOSING SEAT & COVER**
Gentle and quiet closing action.
